
Acreage Disturbed and Reclaimed by Surface Mining through June 30, 1973[1]

County	Land disturbed and unreclaimed[2] (acres)	Land disturbed and partly reclaimed[2] (acres)	Land disturbed and reclaimed[2] (acres)	Total (acres)
Atoka	95	–	–	95
Coal	595	–	–	595
McIntosh	699	–	–	699
Muskogee	996	–	72	1,068
Okmulgee	1,148	31	114	1,293
Pittsburg	321	–	–	321
Totals	3,854	31	186	4,071

[1]These data summarize acreage shown on this map sheet. A summary of disturbed and reclaimed acreage for the entire coal field (map sheets 1, 2, and 3) is given in table 2 of accompanying text.
[2]See Introduction of accompanying text for descriptions of these terms.

See inset map above for parts of Coal and Atoka Counties

SURFACE-MINED COAL LANDS IN EASTERN OKLAHOMA

Showing Acreage Disturbed and Reclaimed Through June 1973

Sheet 2 — Atoka, Coal, McIntosh, Muskogee, Okmulgee, and Pittsburg Counties
