THE HOPPER

GUIDE BOOKS

Obtainable
from the
OKLAHOMA GEOLOGICAL SURVEY

GUIDE BOOK I -

Field Conference on pre-Atoka rocks in the western part of the Ozark Uplift, northeastern Oklahoma, by George G. Huffman, 41 pages; April 24-25, 1953.

Price \$1.00; by mail \$1.10.

GUIDE BOOK II -

Field Conference on Permian rocks of northeastern Oklahoma, by Carl C. Branson, 41 pages; May 14-15, 1954.

Price \$1.00; by mail \$1.10.

PRELIMINARY LIST
OF
OKLAHOMA MINERAL PRODUCERS
John H. Warren

A list of Oklahoma mineral producers will be printed with the new Mineral Map of Oklahoma. A preliminary list is presented here in the hope that HOPPER readers will write to give additional information and to call attention to errors. Any such information will be greatly appreciated.

THE TOPICS

SPRING FIELD CONFERENCE HELD

The Oklahoma City Geological Society and the Oklahoma Geological Survey sponsored and organized a field trip to northeastern Oklahoma on May 14 and 15. One hundred twenty-eight geologists registered and participated. Arrangements were made by Eugene F. Culp of Continental Oil Company, who served as Chairman of the committee. The Oklahoma Highway Patrol directed traffic at dangerous turns and crossings. The Schlumberger Well Surveying Corporation provided a truck with public address system and served refreshments. Walliburton Oil Well Cementing Co. transported and distributed the box lunches and served refreshments. Nuckolls-Bell Drilling Co. provided telephone service in their car. The managers of the Hotel Miami and of the Will Rogers Hotel handled all reservations. The Hotel Miami served a special breakfast on Friday and put up a fine box lunch. The Will Rogers Hotel served a smorgasbord dinner on Friday and a special breakfast on Saturday. Roy's (Roy Waynes) of Claremore made the box lunches for Saturday.

The field trip guidebook was set in Veritype by Lattenburg Press of Norman. The book contains 41 pages with 17 figures and 6 maps. It is Oklahoma Geological Survey Guidebook II, and is for sale at a price of one dollar plus ten cents postage at the Oklahoma Geological Survey.
